

SPAY/NEUTER CONTRACT

Permanent ownership of this dog is contingent upon your compliance with this Addendum.

Proof of the spay/neuter must be received by THE BREEDER within fourteen (14) days after the surgery, by the dogs 12 month of age but not before 8 months of age. If said dog is altered prior to its 8th month of age - our one year hip warranty will be void.

(PURCHASER) will notify the BREEDER of this amendment in writing, at which time all other conditions of this agreement will apply and be enforced. This is the responsibility of the PURCHASER, not the veterinarian, to ensure that LKB Northwest has received verification that the surgery has been performed. A copy of the medical record (neuter/spay certificate) as well as the receipt is necessary verification along with the veterinarian's phone number to follow up about the procedure.

Failure to comply with this agreement by the time frame indicated above, unless otherwise agreed to in writing, will be considered a breach of the Contract, and PURCHASER will transport this dog back to LKB Northwest (LK Bernedoodles) and will not be entitled to a refund or PURCHASER will be fined \$5,000. Depending on communication, an intent fine or return will be based on breeders discretion. If a fine is to be assessed, it is then due within 30 days of final decision.

This is an unfortunate step but necessary - In the case of the puppy's demise on or before the above listed date, a written statement from your veterinarian must be sent to LKB Northwest (LK Bernedoodles), stating that the puppy has indeed passed away, and the cause of death.
